

# WAYNESVILLE MAIN STREET DINER

Waynesville's Main Street Diner takes you on a nostalgic journey to the town's early days. Rich in history, Waynesville has rightfully earned the title of the "Gateway to the Smoky Mountain National Park."

While you enjoy your meal with us, be sure to explore our four historic photo collections and curated private artifacts.

We take pride in serving local meats and produce; our fresh fruits and vegetables are sourced from the family-owned Presnell's Produce.

Additionally, Brasstown Beef provides our premium beef products and hotdogs, while Riverside Custom Meats carefully selects the pork for our delicious sausage.

- Make sure to ask our staff to tell you more about the history of our landmark building.
